

Rules and Regulations for Students in care during PTO Meetings

1. Care during meetings is a privilege not a right. Students who are unable to behave during meetings will be removed and not invited back.
2. Adults taking care of students are to be listened to and respected.
3. All children need to be visible at all times, to adults in the room/multipurpose room etc.
4. Materials will be taken out by the adults. No student should go in the closet and take any of the balls, jump ropes, hula hoops etc.
5. Repeated behaviors will result in exclusion for the next PTO meeting.

The PTO engages the LAs to provide child care services during PTO events. To utilize these services, PLEASE RESERVE A SPOT by notifying the PTO on the PTO web site. This is to ensure we have the proper coverage for the children's safety.

Children are welcome during PTO meetings. We want to make sure all students and staff are safe and enjoy their time during the evening meetings.
